

Cherrish Brief

What do tri-athletes, runners, and cyclists all have in common?

They turn to CHERRish to ease muscle pain and speed recovery so they can perform at their best. CHERRish is a natural power drink made from 100% Montmorency cherries, one of the highest sources of antioxidants on the planet.

CHERRish's unique antioxidant properties reduce muscle inflammation and arthritis, making it a perfect drink for athletes of all ages.

For people young and old, CHERRish is a fun and easy way to keep you performing at your highest level!

Your Mission:

Create a video that shows the health benefits of CHERRish in a fun and easy way.

Requirements:

You must include the CHERRish logo

You must mention the antioxidant properties of CHERRish:

- CHERRish is an anti-inflammatory
- CHERRish aids in muscle recovery
